i3 Energy still confident of 'very large resource volumes' at Serenity and Liberator

i3 Energy Plc's (LON:i3E) Majid Shafiq and Graham Heath speak to Proactive London's Andrew Scott after confirming the completion of its three-well 2019 drill programme.

Looking ahead, it is now planning a summertime appraisal of the Serenity discovery and the Liberator West area.

They say the objective will be to de-risk some of the 600mln barrels of potential oil in place previously identified in the structures.
