## Full interview: Ansila Energy expects to flow test Siciny-2 well this month

Ansila Energy (ASX:ANA) says it's on track to start well flow tests at its recently drilled and fraced Siciny-2 well within the Gora concession in Poland. Technical Director Chris Lewis tells Proactive London about the current well clean up and why they're using nitrogen gas as part of that process to save time and money. Lewis also explains how tubing has been run into the well for the clean-up and how all-important flow testing is next.
