Kavango Resources more than doubles size of its ground holding on Kalahari Copper Belt

Kavango Resources PLC's (LON:KAV) Mike Moles caught up with Proactive London's Andrew Scott to discuss progress at its key projects in recent months.

For the Kalahari Suture Zone (KSZ) he says consultants are presently constructing a new model incorporating findings from a successful 2019 drill programme, with the aim of defining high-grade targets for the next campaign.

On the Kalahari Copper Belt, he says the two big licenses they've applied for have now been approved by the Department of Mines.

He adds that there's so far been minimal disruption as a result of the coronavirus (COVID-19) pandemic.
