Artemis Growth Partners taking an ESG approach to its investment in global cannabis

Artemis Growth Partners co-founding managing member Will Muecke tells Proactive London's Andrew Scott they're a private equity firm focused entirely on investing in global cannabis.

"We approach the space with an ESG model and run about \$200mln of assets under management and we're continuing to grow".

While being cautious with his predictions, Muecke believes 2020 is going to be one of the hallmark years for investing in cannabis and he explains why his view's been strengthened since the outbreak of coronavirus.
